2015 Annual Report

# **Community-Wide Initiative Underway to Address UMT Traffic Challenges**

In a continuing effort to address concerns about traffic problems in Upper Macungie Township, an initiative is underway to enjoin the trucking industry, local businesses and citizens with law enforcement in a strategic plan to effect positive changes through collaborative action.

Called the Good Neighbor Coalition, the initiative has the full support of UMT

Supervisors and Administration, and is commandeered by UMT Police Chief Edgardo A. Colón and Traffic Unit Supervisor

Sergeant Cory S. Reader. It was developed over a two-year span and first launched in December 2015. According to Chief Colón, it is being "aggressively

embedded" at all levels of the UMT community through a series of meeting

exchanges with citizen groups, trucking firms, elected legislators, government officials and local leaders of business and industry.

On March 2<sup>nd</sup> a Good Neighbor Coalition community presentation was held at the Jaindl Elementary School in Breinigsville. In a sad irony, a vehicular accident which proved fatal to five occurred on Rt. 100 shortly before the event.

"There is no question that traffic is a pressing concern that we all face here in our community. The Good Neighbor Coalition is a pro-active,

quadrilateral way to resolve these challenges through a systematic, measurable and accountable action plan," said Chief Colón. "It is built on the active cooperation of all stakeholders and led by law enforcement. We will not resolve all of these issues overnight but our mission is to effect positive, sustainable changes and I am confident that this is the way to approach it."

> The role, goals, structure and action plans of the Good Neighbor Coalition are detailed in a 58-slide visual presentation composed by Chief Colón, Sergeant Reader and a special task force within the UMTPD.

It opens with the following Mission Statement:

The Mission of the Good Neighbor Coalition (GNC) is to enhance safety and improve community relations between law enforcement and the commercial and residential entities within UMT and beyond. This endeavor will be accomplished through education, awareness and mutual cooperation. This will be in keeping with the Department's mission of being "Committed to Service."

FOR MORE FACTS on the Good Neighbor Coalition and how you can get involved, please read the UMT Police Department's Annual Report inside this issue of Upper Macungie Township NEWS, or visit online at www.uppermac.org.

# **2016 HOLIDAY SCHEDULE**

— UMT OFFICE CLOSINGS —

- May 30 (Mon.) Memorial Day
- July 4 (Mon.) Independence Day
- **September 5** (Mon.) Labor Day
- November 11 (Fri.) Veterans' Day
- November 24 & 25 (Thurs. & Fri.) Thanksgiving
- December 26 (Mon.) Christmas Holiday

# Freight Traffic Rerouting a "Leading Priority"

Process underway to study feasibility, Fed funding for new I-78 interchange to reduce Rt. 100 tractor-trailer volume

Relieving tractor-trailer congestion in Upper Macungie Township's Rt. 100/I-78 traffic region is a leading priority for Township leaders and the complex process toward a workable solution is underway. "Making significant changes to our current traffic infrastructure has been a leading priority and a lot of work has gone into exploring responsible solutions," said UMT Supervisor Kathy Rader. "Our focus is on creating new access points for truck traffic onto I-78 to reduce congestion in the Rt. 100 and Schantz Road area." Officials have identified Adams Road—approximately 1.4 miles west of

RT. 100 >> Continued from Page 1

Rt.100—as a possible site for a new interchange that would divert a high volume of traffic from nearby warehouses and manufacturers.

While the need for a new interchange has been discussed for years, recent Federal funding legislation has heightened current hopes for it to finally become a reality. The Fixing America's Surface Transportation Act—known as the FAST Act—enacted in December 2015, authorizes \$305 billion from now through 2020 for Federal Highway Administration improvements on highways and other projects.

According to the U.S. Department of Transportation's website, with the FAST Act now signed into law "state and local governments may now move forward with critical transportation projects, like new highways and transit lines, with the confidence that they will have a Federal partner over the long term."

"So there's a lot more opportunity now for funds for freight-based projects, especially where there are identified issues," said Becky Bradley, executive director of the Lehigh Valley Planning Commission. "The section of I-78 from the Rt. 22 merge out to the Berks County line is the region's most congested freight corridor. So it is the ideal candidate for relief of freight."

A new interchange at Adams Road would be an estimated \$30 million project. Step one is to determine whether a project of that scale meets all criteria for FAST Act funding by conducting a Point of Access study to look at all aspects of the project, including need, environmental impact and other feasibility factors.

The next steps are design and the actual construction. Throughout each stage, there will be special public meetings to keep everyone informed of the progress.

After analyzing competitive bids, the Point of Access Study was awarded to Alfred Benesch & Company on March 3, 2016 at a cost of \$394,203.80. While the entire project is a public/private partnership receiving support from Federal and State legislators, the initial study is being funded by three corporate stakeholders: Jaindl Land Company, Liberty Property Limited Partnership and National Freight, Inc.

The Point of Access Study could take two years and, even then, it does not guarantee FAST Act funding, Rader pointed out. "But this study is an absolute necessity if we want to progress toward a solution for our community's traffic challenges. In the next 20 years, freight volume is projected to double in this area. Doing nothing is not an option."

# Be Aware of the

SPOTTED LANTERNFLY

#### **FACTS:**

The **Spotted Lanternfly** was first discovered in 2014 in eastern Berks County, and it has become a major pest. This plant-hopper will feed on trees and many other host plants including grapes, apples, and stone fruits. The adult size is approximately 1-inch long and 1/2-inch wide at rest.

Early detection of the Spotted Lanternfly is vital to prevent this invasive insect from spreading to local businesses and agriculture, such as vineyards in Upper Macungie Township.

#### **ACTION:**

If you find **any** life stage of the Spotted Lanternfly, remove the insect or scrape off egg masses, devitalize, place in a sealed bag, and dispose of bag in the garbage. Check your outdoor items before you move them.

Please contact the Pennsylvania Department of Agriculture if you see any evidence of Spotted Lanternfly:

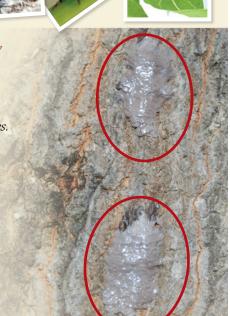

- Take a picture of any life stage and email it to badbug@pa.gov
- Leave a message at Invasive Species Report Line about your sighting: 1-866-253-7189

For more information, visit www.pda.state.pa.us/spottedlanternfly

#### **PAVILION RENTALS**

Have your party at one of our beautiful Parks!

Reservations for 2016 began January 1, 2016 and dates book up fast. For date availability, rental rates and more, contact 610-395-4892 ext. 130 or recreation@uppermac.org.

# **2016 SPONSORSHIP OPPORTUNITIES:**

Barktoberfest, Movies in the Park & coming soon — Music in the Mac!

Our community has an active roster of FREE wholesome activities and community events that attract thousands of families. But most of these events would not happen without the support of local business sponsorships. Want to support UMT Recreation?

Take this opportunity to promote your business and support our Township.

All sponsorships are tax deductible. They provide strategic marketing and business development opportunities for your business at a very affordable cost. 100% of the proceeds benefit park and recreation efforts in Upper Macungie Township, helping to further enhance the quality of life for families here in our community.

For more facts on the many business sponsorship options available, please contact Lynn Pigliacampi at 610-395-4892, ext.130 or recreation@uppermac.org. Additional details are available at www.uppermac.org/community-opportunities.

The rain dates will be posted on **UMT Facebook** or **www.uppermac.org/movies-in-the-park**.

#### **FUTURE PROGRAMS to SPONSOR!**

Check www.uppermac.org/eventsprograms for the latest sponsorship information on programs in development like Music in the Mac and the 5K for Parks.

# **RECREATIONAL PROGRAMS 2016**

**SPRING IS HERE!** Come out and take advantage of our beautiful parks and great recreational programs and exciting events. Many new programs have been added this year already with more to come! Keep checking our website below and Facebook page to stay up to date.

For details, registration forms or questions:

www.uppermac.org/eventsprograms | 610-395-4892, ext. 130 | re

recreation@uppermac.org

#### **ADULT BASKETBALL**

WHEN: **Thursdays, March 31 – June 9 6:30 – 8:30** p.m.

WHERE: Jaindl Elementary School
1051 Weilers Road, Breinigsville

FREE. Age 21 and over. Equipment is provided. Email UMTbasketball@gmail.com to be placed on the email list.

#### YOGA IN THE PARK

WHEN: Sundays, June 5 – July 17 7 – 8 p.m. (no class July 3)

WHERE: Lone Lane Park (in the grass near the basketball courts)

FREE - Bring your own mat, towel or blanket.

For details, visit www.uppermac.org/yoga-in-the-park.

#### ADULT, JUNIOR & PEE-WEE TENNIS CLINICS

WHEN: Session 1: May 2 - June 6
Session 2: June 13 - July 13

Session 3: August 8 - September 12

WHERE: Ricky Park

Get hands-on instructions from USPTR-certified Tennis professional Brian Bleam.

Fee for clinic – Registration is required. For registration, go to www.uppermac.org/tennis-clinics.

#### **JUNIOR GOLF**

WHEN: Mondays & Wednesdays
9 a.m. - 12 p.m.
Session 1: June 20 - July 13

Session 1: June 20 – July 13 Session 2: July 18 – August 10

For registration and questions, visit The First Tee of the Lehigh Valley website at www.embraceyourdreams.org, call 610-868-5290 or email info@embraceyourdreams.org.

#### **DISC GOLF OPENING DAY**

WHEN: Saturday, May 14, 9 a.m. – 2 p.m. WHERE: Upper Macungie Park (Rt.100 Park)

FREE. No Equipment Needed!

- Free discs to use
- Experienced players available to help you
- Win fun prizes!
- Light refreshments available for sale
- Discs also available for purchase

Visit www.uppermac.org/disc-golf for details.

#### **FAMILY FISHING PROGRAM**

WHEN: Saturday, June 25, 9 a.m. - 1 p.m. WHERE: The Ponds at Apple Park

Free Fishing Instruction for the whole Family.

Registration is required. Register online at

www.uppermac.org/family-fishing-program.

WHEN: Sundays, June 4 - August 27 6-8 p.m.

WHERE: Upper Macungie Park (Rt. 100 Park)

FREE. Just show up! Age 14 and over. All levels are welcome. Email UMTvolleyball@googlemail.com to be placed on the email list and to get notified on cancellations and changes.

## **MUSIC IN THE MAC**

Coming soon!

We are currently working on this exciting new event. More details to come. LIKE us on Facebook and check out www.uppermac.org/eventsprograms for the latest updates.

See more events and sponsorship opportunities on Page 3.

#### **5K RUN & 1 MILE WALK FOR PARKS**

Coming in spring 2017 – date TBD. Check back later at www.uppermac.org/5k-fun-run.

# INDEPENDENT PARK COMMUNITY CENTER

# ow Available to Non-Residents!

#### **Book your event today!**

- Holiday & Theme Parties
- Birthdays, Anniversaries, Baby Showers, Post Funeral Gatherings
- Beautiful Weddings, Bridal Showers, & Rehearsal Dinners
- **Business Meetings & Corporate Functions**
- Fund-Raising Events
- Class Reunion Parties and so much more! See below for details or call

610-395-4892.

for Private and Corporate Events

Located on 25 rolling acres just off Schantz Road and Route 222, this newly refurbished center ensures a beautiful location for your next private or corporate event.

- Impressively accessed through Grand Foyer
- Accommodates events up to 100 people
- 1,700 sq. ft. open concept with wide wraparound deck & expansive countryside views
- Two-story stone fireplace
- 60-inch video, Wi-Fi & audio speaker system

#### RENTAL FEES

#### **CATERING KITCHEN**

- Centrally located for service to both Community Room and Meeting Room
- Equipped with full-size refrigerator, 2 sinks, microwave
- Perfect for catering or bringing your own food. Permitted for UL-approved electric warming plates & chafing dishes heated with either UL-approved electric coils or approved heating devices such as Sterno fuels. Propane heating devices are prohibited. There is no stove in the facility.

#### **HOURS**

The Community Center is available for rental events from 8 a.m. to 11 p.m.

# **RECYCLING & TRASH PICK UP GUIDELINES**

# YARD WASTE COLLECTION

For your convenience, Upper Macungie Township provides property owners with the means to properly dispose of their leaves and yard wastes. There will be a one-time only, curbside pick up of YARD WASTE. After that, yard wastes may be deposited at the UMT Yard Waste Drop-off Site.

#### YARD WASTE CURBSIDE PICK UP

#### Wednesday, May 11, 2016

**WHAT:** Leaves from trees, bushes and other plants, shrubbery clippings and tree trimmings. (For maximum size, see "HOW TO PREPARE" below.)

WHAT NOT: No grass clippings, roots from trees or shrubs, or lumber. Improper bags, bundles or materials will go uncollected and tagged to notify residents of reasons why materials were not accepted.

HOW TO PREPARE: Yard wastes must be placed in commercially-designed open trash containers (with sloped sides) no larger than 32-gallon capacity with a loaded weight of less than 60 lbs. each. Smaller limbs and branches must be tied and properly bundled to a maximum size of 48" × 18" × 18" with a maximum weight of 60 lbs. If branches and limbs are not tied and bundled, they will not be picked up. Ties for bundles must be made of biodegradable materials.

All containers must be out the night before after 6 p.m.

**HOW MUCH:** Combined maximum of 6 containers will be collected.

(Next pick up: Fall 2016)

#### YARD WASTE DROP-OFF SITE

Corner of Schantz & Grim Roads, Breinigsville

	Spring, Summer & Fall Hours	
	Effective Apr. 1	
Mondays	7 am - 7 pm	
Tuesdays	3 pm - 7 pm	
Wednesdays	3 pm - 7 pm	
Thursdays	3 pm - 7 pm	
Fridays	7 am - 7 pm	
Saturdays	9 am - 5 pm	
Sundays	9 am - 5 pm	

Closed Holidays
(See page 1 for UMT Holidays)

# TRASH PICK UP

#### **HOLIDAY TRASH PICK UP**

**PLEASE NOTE** – The service is **one day delayed** when a holiday below falls on your pick up day:

Mon., May 30, 2016 – Memorial Day Mon., July 4, 2016 – Independence Day Mon., Sept. 5, 2016 – Labor Day

Please place your trash cart out for collection the night before your pick up day at curb or grass area several feet away from the mailbox, landscaping, or telephone poles. It should NOT BE PLACED ON THE STREET. Your recycle bin can be placed several feet from the cart. As a reminder, any trash placed outside your cart, or not in a UMT trash cart, will not be collected. You can purchase another cart for \$55. There is no extra trash fee. Residents are allowed to have a maximum of two 95 gallon carts.

WASTE MANAGEMENT is the service provider to handle refuse and recycling collection in Upper Macungie Township. Refuse and recycling pick up is on a weekly basis. New residents: you must come into the Township building to fill out a moving permit. You will then be informed when your trash cart will be delivered (for new construction only), which zone you are in for trash pick up, and what day your pick up will be.

All complaints or missed pick ups should be directed to **WASTE MANAGEMENT** at 1-800-869-5566.

# SHREDDING EVENT

### Saturday, June 18

**9 a.m. – 12 p.m. sharp (rain or shine)**UMT Public Works Building, 8550 Schantz Road

- Only paper documents (NO photo negatives, x-rays or heavy plastics).
- No need to remove staples.
- Limit: 5 bags/boxes per person.

A container for the recycling of cardboard will be provided. Please note there is only one event on this day.

This event is **for UMT Residents Only** — Proof of residency (e.g. driver's license) will be checked.

PROTECT YOUR I.D.

# RECYCLING

# MATERIALS TO BE RECYCLED in Upper Macungie Township:

- Newspaper
- Residential mixed paper
- Glass (clear, green & brown)
- Aluminum, tin and steel/bi-metallic cans
- · Corrugated cardboard
- Plastics (with a recyclable symbol, no caps, rinsed and cleaned out.) soda bottles, laundry detergent containers, milk and water jugs, ketchup and mustard bottles, etc. will be accepted. No plastic bags.

UMT offers single-stream recycling. All the above items can be placed in one container, NOT separated, tied or bagged. Check out recycleoftenrecycleright.com

# CARDBOARD RECYCLING CONTAINERS

Upper Macungie Township has 2 containers for recycling CARDBOARD which are for UMT Residents Only.

- UMT municipal building parking lot drop-off site: Monday—Friday, 7:30 a.m.- 4 p.m.
- UMT yard waste site on Grim Road: Monday – Friday, 3 - 7 p.m. Saturday/Sunday, 9 a.m. - 5 p.m.

Both sites are closed on holidays. This does not eliminate cardboard recycling at the curbside. It is for the times when it rains or you have a lot of cardboard. You can bring the flattened cardboard to UMT and put it into the recycling containers.

#### **ELECTRONIC RECYCLING EVENT**

Saturday, June 11

**9 a.m. – 12 p.m. sharp (rain or shine)**UMT Public Works Building, 8550 Schantz Road

Computers, monitors, printers, fax/copy machines, DVD/VCR players, TVs, radios, CD players, stereo equipment, microwaves, household batteries, fluorescent light bulbs (NO APPLIANCES).

For UMT Residents Only — Proof of residency (e.g. driver's license) will be checked. Businesses should contact Kathy Lancsek, UMT Recycling Coordinator, at 610-398-9171.

# **Storm Water Management Tips**

Untreated or uncontrolled storm water runoff is the number one cause of impairment in our local waterways. Polluted runoff is often transported through drainage systems until it eventually discharges into streams, lakes, and rivers untreated. Keep the unsafe water out of the storm drain by following these tips:

- Use pesticides and fertilizers sparingly. Avoid application if the forecast calls for rain.
- Select native plants and grasses for your landscaping. They require less water, fertilizer and pesticides.
- Sweep up yard waste, then compost or recycle when possible, rather than hosing down areas.
- Water your lawn during the cool times of the day if necessary, and don't overwater.
- Cover piles of dirt and mulch for your landscaping to prevent these from blowing or washing off your yard. Vegetate bare spots in your lawn to prevent soil erosion.
- Wash your car at a commercial car wash, or on a lawn or other unpaved surface to minimize the dirty soapy water runoff.
- Check your cars and other equipment for leaks and spills, and make repairs as soon as possible.
   Clean up spilled fluids with an absorbent material like cat litter or sand and dispose of properly.
   Don't rinse the spills into a nearby storm drain.

Source: NCDENR

# On-Lot Sewage Management Update

# Inspection reports due December 2016 for District 1 residents

This is a program to monitor the proper function of UMT owners' on-lot sewage systems to protect our water table and overall environment. It is a staged program which is mandated by the PA Department of Environmental Protection and implemented by municipalities.

District 3 owners had their septic systems pumped and inspected in 2015. District 1 inspections are now underway in 2016 with reports due by December. Scheduled maintenance of your on-lot septic system helps protect and maintain a healthy environment for future generations and reduces high costs incurred by property owners if their septic system fails. For more facts on District 1 boundaries and requirements, please contact Renee Faust at 610-395-4892 ext. 125 or reneef@uppermac.org.

Thank you for your support.

# **Grant Updates**

- Breinigsville Park and Breinigsville Park West (to be constructed at a later date) — new public water and treatment systems will be constructed in spring this year.
- Hassen Creek Restoration shall continue this year with the planting of 400 weeping willow trees and the installation of 1,123 linear feet of coconut logs which will create a vernal pool to filter the water and increase the time of concentration all the while helping to restore the Hassen Creek to its natural channel. This was undertaken as part of the partial breach of the Fogelsville Dam and as proactive measures providing sediment and nutrient management practices which are requirements that will take effect in the next few years under Municipal Separate Storm Sewer Systems (MS4) Program.
- **Grange Park** a splash park and roadway/parking lot extension are planned for spring of this year depending on permits and grant review times.
- Breinigsville Pathways a 6-foot wide 1 mile plus walkway that will link Trexler Fields Subdivision to Breinigsville Park West and Breinigsville Park will be constructed in phases later this year and next year. The Township applied for a grant to fund the construction of a bridge over Schaefer Run earlier this year to complete connections to new residential subdivisions.

# **SENIOR CITIZEN DISCOUNT**

Patriotic Readings . . . . . . . approx. 9:10 p.m.Grand Fireworks Spectacular . . . . . . . . . . . . at dusk

The Township is offering a \$30 senior citizen discount for trash and recycling pick up for anyone over 65 with proof of age (e.g. driver's license or passport). You must own and live at your residence. If you are 65 or turn 65 by December 31, 2016, please come to the Township municipal building to apply and register by December 31,

2016 for senior citizen discount for 2017.
