

CART INSTRUCTIONS

1. Your refuse cart and recycle bin are to be put out after 6:00pm the night before your refuse/recycling pick up day.
2. Place your cart out for collection where you found it when it was delivered to you.
3. Do not place the cart next to your mailbox or any other object including telephone poles. Place the recycle bin about 2 yards away from your trash cart.
4. Place your cart with the arrows on the top of it facing the road and the handles facing your house.
5. All lids must be closed on the ready for pick up.
6. No HOT ASHES and LIQUID of any kind can be placed in this cart.
7. Any trash placed outside your cart will not be collected. If you anticipate needing another cart from time to time, please call the township to purchase an additional container. There will be no additional monthly cost to you to have the second cart serviced.
8. You can continue to purchase clean-up stickers at the Municipal Building to accommodate occasional larger amounts of trash. We will accommodate a pile of debris no larger than 4 feet wide 4 feet high, and 6 feet long.
