

UPPER MACUNGIE TOWNSHIP

Park Bench Donation Program:

Thank you for your interest in donating a park bench to an Upper Macungie Township Park. Your donation will benefit residents and the community for many years and is a wonderful way to honor a loved one.

The Memorial Park Bench Donation Program allows groups and individuals to donate benches to commemorate special events, honor individuals or agencies as memorials to loved ones. To ensure high standards of durability and visual appeal, benches are chosen by Township Staff. Placement locations can be discussed but are ultimately at the discretion of Township Public Works Staff.

- **Estimated Cost:** prices range from \$1,400 - \$2,000 per bench which includes the delivery, installation, and continued maintenance.
- **Bench Type:** The donor and Recreation staff will work together to select the bench that best fits the park it will be installed at (picture above is an example)
- **Bench Location:** locations can be requested, but our Public Works staff will have final say considering necessary factors at a specific park.
- **Memorial Plaque:** Memorial plaques can be installed directly onto the benches. Sizes, font, etc. are all customizable. Plaque requests are submitted to the bench company and a proof will be supplied for approval prior to creation.
- **NOTE:** bench installation is weather dependent and will vary depending on time of purchase.
