

UPPER MACUNGIE TOWNSHIP

Tree Donation Program:

Thank you for your interest in donating a tree to an Upper Macungie Township Park. Your donation will benefit residents and the community for many years and is greatly appreciated.

The Memorial Tree Donation Program allows groups and individuals to donate trees to commemorate special events, honor individuals or agencies and/or as a memorial to loved ones. Trees purchased through the program are planted and/or placed in Township parks. The exact placement of the tree and type of tree is at the discretion of the Public Works Department.

- **Cost:** \$250-\$500 per tree which includes the tree, installation, and the continued maintenance (pruning, mulching, etc.).
- **Tree Type:** The donor and UMT staff will work together to select the correct tree type for the specific park you are inquiring about.
- **Tree Location:** UMT Public Works will select the location of the tree to best suite your park of choice.
- **Memorial Plaque:** We allow a 4 x 6 memorial plaque of your choosing to be placed at the foot of the tree. We recommend choosing a local supplier. Style suggestions- either a concrete base or stake in the ground plaque using black, silver, or copper for the plate.
- **NOTE:** The tree installation is weather dependent and will vary depending on time of purchase.
