21- 205. PERMIT CONDITIONS

Upon issuance of the permit, the permit holder shall comply with the following requirements:

- A. Any Unit for which a permit is issued shall bear reflective tape or illuminated markings on all four sides in order to provide adequate warning of the placement of the Unit to pedestrians and motorists.
- B. The name, address, and telephone number of the Units owner/operator shall be conspicuously placed on at least two sides of the device.
- C. Each of the Units rollers or wheels (if any) must be placed upon a wooden pad of at least six inches by six inches and at least 3/ 4 of an inch in thickness, or on a similarly protective device, in order to prevent damage to the road surface.
- D. No Unit shall be placed nearer than fifteen (15) feet to any fire hydrant or other intended fire -fighting equipment.
- E. No Unit shall be placed within the cartway of any street extending a distance of more than nine (9) feet from the curb line or edge of cart way.
- F. The location of any Unit upon any Street shall not obstruct any pedestrian way or the lane of travel of any Street.
- G. The location of any Unit upon any Street shall not interfere with any required clear sight distance across any intersection or driveway.
- H. No Unit shall be placed in such a manner as to interfere with the operation or maintenance of any public utility.
- I. No Unit shall be loaded in such a manner as to cause its contents to spill onto any street, sidewalk, or other area intended for pedestrian travel.
- J. No materials contained in a Unit shall emit any noxious or offensive odor or otherwise create any hazard or risk to public health.
- K. No Unit shall contain any hazardous waste unless pursuant to a permit for such waste issued by the appropriate governmental entity.
- L. The permit shall be conspicuously placed in a location that allows it to be identified from the street.
- M. If any damage or injury to the street shall be caused or done by the use or occupancy of any street herunder, the party to whom the permit is issues shall be responsible and liable for the same and shall restore the street to its original conditions. If the permit holder refuses to properly restore the Street to its original condition, the Township may do so and collect the cost of the same from the permit holder.
