

UPPER MACUNGIE TOWNSHIP

Residential Pole Building Permit Submittal and Installation Guide

All work shall meet the requirements of the 2015 International Residential Code and 2015 International Building Code.

Please utilize the checklist below before submitting an application:

Provide a plot plan showing the location of the proposed structure on the property with dimensions.

Provide a complete design with a scope of work to explain all parts of the construction project. Include the overall dimensions, structural details, doors, windows, interior walls, wiring, plumbing or other component with all details.

Provide a complete structural design. Provide all constructions details, member sizes, spans, truss designs, fasteners, connections, bracing, supports, roof information, purlin or girt details or other data.

Provide truss designs from a design professional with individual truss details, a truss installation plan, connection & required bracing details with the manufacturer's installation & erection instructions.

Provide a footing location plan with the footing diameter & depth and the design for protection from uplift.

Provide the wood preservative used for posts embedded, in ground contact or installed above grade.

Provide the vapor barrier & insulation details for the structure and slab as applicable.

Provide the roof type and design with connection and construction details. Is the roof a floating design or will the roof be used as the horizontal diaphragm to transfer loads from the post-frame to end and shear walls? Provide your design and all details.

Provide the design for the floor.

Provide a plan showing the location and design of all interior walls.

Provide a design for plumbing installations with a plan showing the fixture and trench locations, trench depth, pipe sizing, fixture locations, protection from freezing or other details as applicable.

Provide a design for heating the space with all equipment, fuel type & installation, unit control and disconnect, tanks, electrical requirements or other details as applicable.

Provide a complete electrical design. Electric is not required for a detached residential accessory structure, but if installed it must meet the following requirements:

- A. Section 3601.6 A service disconnect is required for other than single or multi-wire circuits.
- B. 3607.3/3608 Service grounding shall be re-established at the outbuilding
- C. NEC 338 & UL White Book Service cable notation states if service cables are used underground, they must be listed as type USE.
- D. E3405 Provides the minimum workspace requirements for electrical equipment & panels.
- E. E3901.9/E3902.2 At least one GFCI protected receptacle shall be installed in an accessory structure.
- F. E3903.3 At least one switch controlled light outlet shall be installed to provide illumination outside the door of a garage or accessory structure.
- G. E3903.3 At least one switch controlled lighting outlet must be installed inside each residential garage, pole building or accessory structure and illumination must be adequate to navigate the space & operate mechanical or electrical equipment such as circuit breakers at the electrical panel.

Provide your design for storm water drainage away from the structure.

Provide details for preparations for future electric, plumbing, heating, or other proposed items.

APPLICATION FOR PLAN EXAMINATION AND BUILDING PERMIT

**UPPER MACUNGIE
TOWNSHIP**

Provide certificates of insurance for ALL CONTRACTORS listed and PA Contractors License Numbers when applicable. Include PPL Job Number, provide descriptions of work on application and include telephone numbers. Follow **APPLICANT INSTRUCTIONS**.

**** Important Notice to Property Owners ****

The following items contain important information which you can use to protect your property and wallet!

1. Permits and inspections are required for all work completed under the Pennsylvania Uniform Construction Code (UCC) & Township Ordinance. This includes all structural, electrical, plumbing, HVAC and other work. Inspections by our UCC certified inspectors are needed to ensure work being conducted on your property is safe and up to the minimum state & local standards.
2. All work completed on a property is the ultimate legal responsibility of the property owner. Projects completed without permits & inspections, or without permits properly being closed out, can lead to enforcement & violation actions being taken against the property owner.
3. The Township recommends that you withhold final payment for the work completed on your property until you verify that a Certificate of Completion has been issued.
4. Township staff is here to help! Please contact us directly with any questions or concerns about the permit process.

By signing below, you acknowledge reading this document and that you are giving permission for your contractor to submit permit applications on your behalf (if applicable):

INSURANCE COVERAGE REQUIRED:

All Contractors performing work in Upper Macungie Township must have proof of insurance to include general liability and workers' compensation coverage.

If your policy does not include workers' compensation coverage, we will need the township's waiver form completed and notarized, the form can be notarized at Upper Macungie Township. You will need a valid form of Identification (such as driver's license). This form can be found in the licensing link on the website. This form should be included with your general liability certificate.

Upper Macungie Township must be listed as certificate holder.

Please forward a copy of your certificate to:

WORKERS' COMPENSATION INSURANCE COVERAGE CONTRACTORS IN ACCORDANCE WITH PA WORKERS' COMPENSATION REFORM ACT 44

Exemption:

Complete if the Applicant is a contractor claiming exemption from providing Worker Compensation Insurance.

The undersigned swears or affirms that he / she is not required to provide Workers' Compensation Insurance under the provisions of Pennsylvania's Workers' Compensation Law for one of the following reasons, as indicated:

- **Contractor with No Employees** - Contractor prohibited by law from employing any individual to perform work pursuant to this building permit unless Contractor provides proof of insurance to Upper Macungie Township.
- **Religious Exemption** under the Workers' Compensation Law.

To: All Electricians/ Plumbers

Re: Township Licensing

Upper Macungie Township requires all Electricians and Plumbers to have a license to engage in work in the Township. The fee due is \$60 (Sixty Dollars) and the license expires on **December 31st of the license year.**

Please complete the application and return to the above address with legible copies of the following:

1. Photo Identification (such as a driver's license)
 2. Current Electrical or Plumbing license from another jurisdiction
 3. Cash, check or money order for \$60 payable to Upper Macungie Township
 4. Certificate of Insurance showing General Liability and Workers' Compensation coverage listing Upper Macungie Township as Certificate Holder or Certificate of Insurance and a notarized, original Workers' Compensation coverage exemption form / waiver for the license file only
- ***For Annual License Renewals - Please complete the Application and remit with payment and Certificate of Insurance***
 - **Certificates of Insurance and exemption forms / waivers must be included with each application for permits**

Upper Macungie Township is enforcing the 2009 Pennsylvania Uniform Construction Code.

Thank you,

Sharon Stamm
