UPPER  
MACUNGIE  
TOWNSHIP

BOARD OF SUPERVISORS  
Engineer's Report

OCTOBER 2024

**PLANNING REVIEWS COMPLETED FOR SEPTEMBER PC MEETING 2024:**

**Docket #2299 – Hidden Meadows Phase 3, Waiver Request**, a waiver request for T.I.C.S. 22-611.11-A and 22-611.11-g to allow the applicant to proof roll the subgrade immediately before installing stone and asphalt in the roadways, instead of installing stone backfill 180 days prior to the permanent bituminous base course or pavement as required by the SALDO. This waiver received recommendation for approval from the Planning Commission.

**Docket #2084A – Lehigh Hills Phase 2, Waiver Request**, a waiver request for SALDO Section §22-704.2.D to allow the applicant to eliminate curbing along a portion of Nursery Street. The applicant proposes to collect stormwater runoff from the roadway by installing several inlets within the right-of-way and lot line utility easements. This waiver received recommendation for approval from the Planning Commission.

**Docket #2347 – 110 PA Route 100 Warehouse, Preliminary Land Development, 110 PA Route 100** – The applicant is proposing the construction of a 150,400 square foot warehouse building and associated site improvements including parking and stormwater facilities. The project is located within the Township's LI- Light Industrial Zoning District. This plan received conditional preliminary recommendation to the Board of Supervisors by the Planning Commission.

**Docket #2334 – Blue Triton Semi-Trailer Entrance, 405 Nestle Way, Preliminary/Final Land Development** – The application is proposing modifications to the access road around the site. Improvements on the site include, widening of internal roadways, reconfiguring internal traffic patterns, and improving an abandoned roadway (*Previously Fogel Road*). The project is located within the Township's LI – Light Industrial Zoning District. This project was tabled by the Planning Commission.

**GRANGE ROAD ROUNDABOUT:**

The roundabout and park entrance has been completed. Staff and Public works are looking into options for additional signage and identification markers for the central island as per the guidelines identified in the Manual of Uniform Traffic Control Devices (MUTCD). The recommended and advisory speed for the roundabout will be posted at 15mph and it shall be noted that the vehicle within the roundabout has the right of way with the approaching vehicle yielding to the internal traffic flow.

David Alban Jr., P.E.  
Keystone Consulting Engineers, Inc.

UPPER MACUNGIE TOWNSHIP  
Recreation Department Monthly Report  
9.05.24 – 10.03.24

# Monthly Highlights

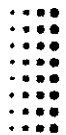

Upper Macungie Township Police Department

**September 2024**

On the 11th of September, Officer Poapst provided a family with a comprehensive tour of the police station. During the tour, she patiently addressed all of the family's inquiries and elaborated on the function and purpose of each area within the station. The experience left a lasting positive impact on the family, fostering a deeper and more meaningful connection between the police force and the local community.

On the 19th of September, a grandfather came to the police station to have his two grandson's car seats checked. Despite attempting to install the car seats themselves before arriving, she discovered that they were not installed correctly. Officer Poapst took the time to ensure that the car seats were properly installed and also provided the grandfather with valuable information on the correct way to install them.

On the 22nd of September, Officer Fritsche successfully completed Drug Recognition Training making him the third officer in our department to achieve this important certification. This advanced training equips officers with the skills to assess individuals under the influence, ensuring our community remains safe and secure.
