About Heather Glen

Heather Glen is a beautiful Senior Living Community located at 415 Blue Barn Road here in Upper Macungie Township. Heather Glen is owned by Kay Builders, a local company that has been building in the Lehigh Valley for seven decades. Kay Builders felt they wanted to continue serving the Lehigh Valley customers as they aged and decided to build Heather Glen Senior Living. Wanting the best possible care, service, and attention for their residents, Heather Glen is operated by a highly experienced team.

Why did Heather Glen choose Upper Macungie Township as it's home?

The demographics of the Township supported the need for this type of senior living community. The site we chose in Upper Macungie Township offers the best of both worlds; a serene, beautiful location with minimal congestion and noise, paired with the convenience of close by industry and highway access. We are so grateful for the support from Upper Macungie Township for the last several years!

What sets Heather Glen apart?

With a variety of options for senior living communities, why choose Heather Glen? According to Rick Koze, President/Owner of Kay Builders, being locally owned is one of their greatest advantages. Along with being a beautiful community, residents benefit from management being local. They will not need to worry that decisions and changes are being made from another state.

They have also been nationally recognized as a leader in Senior Living. When asked what the best part of their day is, management responded, "Serving our residents with compassion and excellence. Our staff make it their mission that residents take pride in calling Heather Glen their home, and it shows."

Heather Glen is thankful for the support, training, and guidance they receive from local hospitals, health care networks, Upper Macungie Township First Responders, as well as the entire Upper Macungie Township community for their support!

IMPORTANT INFORMATION

Real Estate & School Taxes

The Tax Collector, Tracy Hodrick, collects Upper Macungie Township real estate taxes and Parkland School District school taxes. The Tax Collector does not determine the amount of the tax or the assessment.

Office / Sitting Hours:

- The tax collector works remote. There is no permanent tax collector office at the township building.
- Upper Macungie Township does allow the tax collector to meet with taxpayers in the building located at 8330 Schantz Road, Breinigsville.
- Sitting hours will be listed on tax bills and are also available by appointment.

Tax Bills:

- UMT real estate tax bills are dated April 1 and cover the calendar year (Jan – Dec).
- Parkland School District real estate tax bills are dated July 1 and cover the fiscal year (July – June).
- Exception tax bills are typically issued on February 1, May 1 and August 1. These bills are issued when there are increases to assessed property values (ex: new constructions, additions) that have retroactive effective dates.

Paying Taxes:

- The easiest method to pay is by check, money order or cashier's check via the mail or one of the drop boxes located both outside and inside the township building. If you are paying by cash, please have the exact amount.
- Tax payments are made payable to Tracy Hodrick, Tax Collector.
- **Should you require a receipt, your options are to include your email address or a self-addressed stamped envelope with your payment or to come in person during the hours listed on your tax bill. Also, you are encouraged to include a contact phone number.**
- No township employee is allowed to receive tax payments or provide a paid receipt.
- Residents who utilize online banking payments will need to create a separate "Payee" for township and school taxes.
- Returned checks will be subject to a fee of \$25 per check.

taxcollector@uppermac.org | 610.481.9191

Credit card payments are not accepted.

Questions & Answers

What if I write the wrong amount on my check?

IT WILL BE RETURNED TO YOU, IF A PHONE NUMBER IS INCLUDED WITH THE PAYMENT WE WILL CALL AND LET YOU KNOW YOUR PAYMENT CANNOT BE ACCEPTED AND THE REASON WHY.

What if I postdate my check?

POSTDATED CHECKS WILL NOT BE ACCEPTED, THEY WILL BE MAILED BACK TO THE TAXPAYER.

What if I drop off my payment after the due date?

IF THE PAYMENT IS RECEIVED AFTER THE DUE DATE IT WILL ONLY BE ACCEPTED IF IT FOR THE AMOUNT CURRENTLY DUE (EX. FLAT vs DISCOUNT). PAYMENTS RECEIVED AFTER 12/31 WILL BE RETURNED.

Am I responsible to pay a late fee if my check was returned to me?

YES, THERE IS A \$25 FEE PER CHECK FOR ANY CHECK RETURNED BY YOUR BANK (EX. NON-SUFFICIENT FUND, STOP PAYMENT, ACCOUNT CLOSED).

What is the best way to contact Tracy and the expected turnaround time for her to contact me?

EMAIL IS THE BEST WAY, taxcollector@uppermac.org YOU CAN ALSO LEAVE A VOICE MAIL MESSAGE (610-481-9191). WE WILL DO OUR BEST TO RETURN ALL PHONE CALLS AND EMAILS WITHIN 2 BUSINESS DAYS.

What if I did not receive a bill?

CONTACT THE TAX COLLECTOR TO REQUEST A COPY, IF YOU ARE THE OWNER OF THE PROPERTY YOU ARE STILL OBLIGATED TO PAY THE TAX BILL.

I am new to the area. Where can I find the information on what taxes I am responsible for here?

YOU CAN VISIT THE LEHIGH COUNTY ASSESSMENT WEBSITE OR CALL THE TAX COLLECTOR AND WE CAN REVIEW IT WITH YOU.

NOTE: Additional office hours are listed on your bill and posted on www.uppermac.org/finance-taxes/

THE MAGICAL WORLD OF UPPER MACUNGIE TOWNSHIP

The Upper Macungie Township National Night Out is not just an annual event, but a unique campaign that promotes police-community partnerships and neighborhood camaraderie. It's a day when our community comes together on the first Tuesday in August to create safer and more caring neighborhoods. This festive and interactive event brings residents, local businesses, and law enforcement officials together. With live music, a food truck festival, a car show, k9 demonstrations, police, fire, and EMS displays, games, free giveaways, and informational booths, it's a day designed to foster community and mutual trust. In past years, we've had the pleasure of sharing this unique experience with approximately 6,000 attendees.

The event is particularly significant because it provides a unique opportunity for residents to engage directly with law enforcement officers in a relaxed, informal environment. This interaction is empowering, helping to break down barriers, build trust, and create a shared sense of responsibility for community safety. Children and families can enjoy fun activities like face painting, balloon animals, bounce houses, photo opportunities with Anna, Elsa, Kristoff, Ariel, Spider-Man, and Tiana, and attractions. At the same time, adults can discuss concerns and suggestions with local officials.

Unfortunately, this year's National Night Out had to be postponed because of the weather. We want to keep you informed that the event has been rescheduled to October 20th from 2 to 6 p.m. We hope to see you all there!! Please help us bring The Magic of Upper Macungie Township themes alive and wear your favorite Mickey Mouse ears or costume! Follow the Upper Macungie Township Police Department on Facebook for more information.

WITH CHIEF SITOSKI

Q. What is a typical day like while in the FBI National Academy?

A. A typical day at the NA is very structured and intense, blending academic coursework with physical and practical exercises. Some days, we also had guest lecturers. They were often FBI experts or other professionals in the field providing insights into current issues and trends in law enforcement. The program emphasizes leadership and collaboration, preparing participants to return to their agencies with new skills and perspectives.

Q. What was the most challenging aspect at the FBI National Academy?

A. Overall, the academy presented a combination of physical, academic, and emotional challenges. Being away from family for ten weeks was emotionally challenging. Time management was also a challenge to ensure that all assignments, group projects, and readings were completed while maintaining and improving one's level of physical fitness.

Q. What would you say you were most proud of?

A. Successfully completing it! I am proud to have been selected to attend. They say less than 1% of law enforcement officers get the opportunity to participate. While there, the last physical fitness challenge is the "Yellow Brick Road." It is a 6.1-mile obstacle course through heavily wooded, rugged terrain with rope climbs, wall climbs, cargo nets, and mud pits.

OUTSTANDING ACHIEVEMENT for the Upper Macungie Township Police Department

The Upper Macungie Township Police Department is excited to announce that Chief Michael Sitoski, a member of an exclusive group of police officers, has graduated from the 289th session of the FBI National Academy. This achievement, attained by only a select few, is a testament to his dedication and the department's commitment to excellence in law enforcement.

Chief Sitoski's training at the FBI National Academy, renowned for its academic excellence, will undoubtedly benefit the Upper Macungie Township Police Department. His ten weeks of advanced training in communication, leadership, and fitness will enhance the department's professionalism and service to the community, instilling a sense of reassurance and confidence.

Chief Sitoski is one of 197 law enforcement officers who graduated from the FBI National Academy in Quantico, Virginia, on March 15, 2024. The 289th session of the National Academy consisted of men and women from 47 states and the District of Columbia. The class included members of law enforcement agencies from 23 countries, four military organizations, and five federal civilian organizations.

We extend our heartfelt appreciation to the Upper Macungie Township Police Department for their unwavering support during Chief Sitoski's training. Congratulations, Chief Sitoski, on your remarkable journey and unwavering commitment to excellence!

School Bus Safety Tips

- Caregivers should take an active role in promoting school bus safety with children.
- Children should always be walked to and from the bus stop.
- Get to the school bus five minutes early so students don't have to run across the road to catch the bus.
- It's essential that children are supervised at the bus stop. Caregivers, your presence is crucial in ensuring the safety of the children during this time.
- When waiting for the bus, stay away from traffic. Line up at least five giant steps away from the curb or roadway to wait for the bus.
- When crossing the street, students should walk at least 10 feet in front of the bus so the school bus driver can see them.
- Children, remember, never cross the street behind the bus. This rule is to keep you safe and aware of your surroundings. Students should wait until the bus has stopped all traffic before stepping out on the roadway.

HALLOWEEN SAFETY TIPS

It's not a race! Take your time and walk from house to house—don't run. If there are crosswalks and sidewalks, use them!

Trick-or-treat is always more fun (and safe) in groups than alone. Walk in groups and always with an adult.

If you cannot accompany them, having the children carry a cell phone lets them keep in touch, and the phones also contain a GPS chip to help locate lost children.

If you are not going with your children, know the route they will take while trick-or-treating and have them check-in.

See a hazardous situation? Possibly a motorist who is driving recklessly? Contact Lehigh County Communications non-emergency police dispatch at 610-437-5252. Always use 911 in emergencies.

If there are no sidewalks, walk to the far left of the roadway as possible. When vehicles approach, step off the roadway until the car passes.

Keep a flashlight handy, and when you see vehicles approaching, use it to alert motorists of your presence.

Try any make up products on a small area of a child's arm several days before trick-or-treating to see if they have any reaction.

Choose a costume that is flame-resistant and allows for easy movement.

Instruct children to never enter a stranger's house or car unless their parents or other trusted adults are with them and say it's OK.

Inspect all treats for tampering before eating.

So - What do all of us really want?

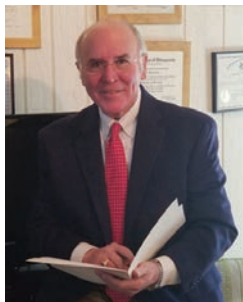

We want to feel well, and be able to function well in life at our best. Chiropractic healthcare focuses on things natural and non intrusive. Yes, there are times when medicines and surgeries are necessary, but it makes sense to try to reduce these things as much as we are able. Most of us realize that in modern America, the health of our population is not getting better. It might be time to take a different strategy. Could it be a time for you to move more in the direction of things natural?

Ask Yourself:

- Are things getting better? Or worse?
- Do I have high energy? Or low?
- Do I sleep well? And awake rested?
- Do I have a good diet? Or could it be better?
- Can I do the things I want to do?
- Do I feel like my best self?

Call us to see if we might be able to help!

YOUR FIRST CONSULTATION IS COMPLEMENTARY to determine if Chiropractic Care is right for you.

Meet the Doctor - Daniel Crane, D.C.

Dr. Crane was born in Allentown and attended schools in the East Penn School District. His undergraduate work was at Ursinus College, Collegeville, PA, and chiropractic doctorate was at Palmer College of Chiropractic, Davenport, Iowa.

He has been in practice since 1970 and has done extensive post graduate study in several sub specialties such as radiology, accupuncture, nutrition, and neuromusculoskeletal rehabilitation. He is registered in Level III of the American Chiropractic Rehabilitation Board, and his clinic was the first in Pennsylvania to be a Nationally Certified Chiropractic Rehabilitation Facility. He is also one of few doctors in this area who are Certified in Instrument Adjusting using the Impulse Adjusting Instrument.

2024 LEAF COLLECTION

Due to the rate of maturity of trees within the Township, and also the fact that more trees are planted every year, it is impossible to guarantee a set pickup day for a specific street in any area.

Leaf Collection for 2024 will run from October 14th through December 6th during the hours of 7 am- 3 pm. We highly recommend residents put leaves out in the evenings, so they are ready to be picked up. Make sure you put leaves out prior to the LAST PICK UP DAY Friday, December 6th.

See more information about Leaf Collection at www.uppermac.org/public-works/leaf-collection/

OCTOBER 14TH THROUGH DECEMBER 6TH

**IT'S TIME TO GATHER
LEAVES FOR PICKUP!**

DO

- **Empty the contents of plastic bags or other containers into the gutter area** to be picked up by mechanical means. Crews will NOT empty bags or containers.
- **Keep all vehicles away from the area where the leaves are piled.** The crews will NOT rake piles of leaves out from between parked cars or from under them.
- **Place the leaves along the EDGE of the road** prior to the start of pickup at 7 am on Monday of each week.

DON'T

- **Don't place the leaves on the road or on private property.**
- **Don't place pieces of wood, steel, rocks or concrete** on the leaves to hold them down. These objects will cause extensive damage to the leaf pickup units and put them out of service at a great expense of time and money to the Township and residents.
- **Don't place branches, shrubbery, garbage, and building materials.** These items will be left behind and it will be the responsibility of the resident for removal and disposal.

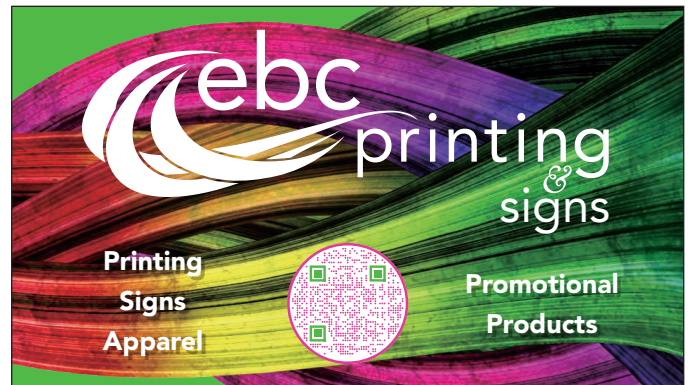

For questions regarding leaf collection, please contact the Public Works Department at 610-395-4892, ext. 140.

PERMIT

What can you do to prevent stormwater pollution?

1. Remember: Only rain belongs in the drain!
2. Minimize runoff by not over-watering your lawn and garden.
3. Use lawn or garden chemical sparingly.
4. Clean up pet waste.
5. Make sure storm drains are not running in dry weather.
6. Install a rain barrel to capture roof runoff.
7. Do not drain your pool, spa, or fountain to a storm drain.

UMT SNOW REMOVAL FAQs

Q: When does snow removal begin?

A: The crews start spreading salt on the streets when a forecasted storm is on the way. The crews begin to plow the streets after 3 inches of snow has accumulated.

Q: When will my street be plowed?

A: Residential streets are usually plowed in this order: FIRST, arterial and collector roads; THEN, secondary roads and cul-de-sacs after main roads have been cleared within 18 hours after the storm ends. Of course, a blizzard could cause the time period to be longer. There may be more snow in one area than another in the cul-de-sacs after plowing due to the circular design of these streets.

Q: Should we move our cars from the street?

A: Yes. Keep vehicles off the street when possible until after plowing is completed. Parked cars can be both a hazard and hindrance to snow removal efforts.

Q: When should I clean my driveway and sidewalks?

A: Wait until the streets have been cleared, if possible, to avoid already cleaned driveways and sidewalks being covered with the plowed snow. DO NOT shovel snow from driveways into roadways. This practice is hazardous and illegal. The Pennsylvania Motor Vehicle Code provides for a maximum fine of \$300 for this violation. Property owners are responsible for the actions of anyone they hire for snow removal.

Stronger Together

Leaders lead, and on Thursday, Aug. 1, 2024, Jefferson and Lehigh Valley Health Network came together to move health care forward like our organizations have been doing for a combined **325 years**.

Joseph G. Cacchione, MD
*Chief Executive Officer,
Jefferson*

Brian A. Nester, DO, MBA
*Executive Vice
President and Chief
Operating Officer,
Jefferson
President, LVHN*

Our combined health system is now one of the top 15 not-for-profit health systems in the country, creating a network of care that will positively impact generations to come. **We are stronger together.**

What does this mean for you? Together, we will bring an even stronger commitment to the Lehigh Valley and northeastern Pennsylvania, growing programs and services close to home. You have our word.

Together, we will give you access to the highest quality care through our network of 32 hospitals and more than 700 sites of care. Together, our expanded reach ensures you have access to a broader network of nationally ranked specialists who will collaborate with each other to provide innovative technology and treatments close to where you live, work and play. Together, we will conduct groundbreaking research and clinical trials that result in better outcomes for you.

We were two organizations with complementary areas of focus, a shared vision and aligned organizational approaches. Now, with the combined strength of our 65,000 dedicated professionals and our shared passion for exceptional service, we can do even more to improve lives.

Together, we will be driven to offer new education and professional development opportunities to our colleagues and recruit the best and brightest clinicians to provide the highest quality care. We'll tackle the most persistent challenges we face, such as health equity and behavioral health, which impacts all our communities.

The future of healthcare is rapidly evolving. Together, we are focused on you as we forge ahead and shape the future of care in our region. Our commitment to you is unwavering. Together, we will increase access and expand the reach of our research, education and expertise.

We are stronger and better together for you.
